New Procedures From the World of Ophthalmology New Technologies

March 1-5, 2003

Register by November 30 and Save up to \$150!

MARCH 1-5, 2003

New Procedures From the World of Ophthalmology New Technologies

SEE and ISRS are well known throughout the ophthalmic community for leadership in patient advocacy and a commitment to introducing the latest technologies in ophthalmology. The 16th Annual Island Eyecare seminar marks the first year of an exciting partnership for SEE and ISRS. We are pleased to offer our combined efforts and resources for the best-ever Seminar experience! The backdrop for this premier seminar is the exquisite island of St. Maarten. Known for its expansive beaches, rich culture, exciting nightlife, and international cuisine, St. Maarten is the place to be March 1-5, 2003. Mark your calendars and plan to join us as we present:

New Procedures & New Technologies - From the World of Ophthalmology

By popular demand and interest we will again offer:

- Many outstanding faculty members from the U.S. and abroad
- Many opportunities for audience participation
- Many presentation topics & panel discussions

To enhance the seminar experience, we have secured a luxurious hotel along the Maho Beach in St. Maarten. The Maho Beach Resort & Casino offers luxurious suites, ocean view, and a host of amenities for the rate of only \$225 per night, excluding applicable taxes. Within the hotel complex are numerous restaurants, a casino, and activities to provide a relaxing atmosphere for sharing and networking with peers and corporate representatives.

Seminar presentations are scheduled daily from 7:30am-12:30pm from Sunday to Tuesday and 7:30am-10am on Wednesday, to allow attendees the opportunity to enjoy the host of seminar-sponsored afternoon activities. Included this year are a myriad of events including a yachting regatta, outdoor island-theme dinner, lagoon dinner cruise, historical island tours and more!

Book your flights (asap), send in your registration (by Nov. 30 to save up to \$150), reserve a room (by Dec. 31) and we'll see you there!

ST. MAARTEN

TWO SIDES, TWICE THE FUN!

One beautiful island governed by both Netherlands and France, showcases the beauty and diversity of both cultures. This island gem is home to friendly smiles, great food and beautiful beaches. Whether you enjoy golfing, sightseeing or want to make a splash in turquoise waters of the Caribbean, you'll find endless ways to enjoy yourself.

SET YOUR SIGHTS ON ST. MAARTEN!

The place where two nations and two cultures combine. For a bit of history drop into Phillipsburg, the capital of Dutch St. Maarten. Here you can see rich West-Indian architecture and historical landmarks like the St. Maarten Courthouse built in 1793. The capital is also home to the Sinmarten Museum, which houses precious artifacts of the island's first settlers, the Arawaks. On the major thoroughfares of the island, you'll find island cafes, designer boutiques, and a breathtaking harbor and marina.

French St. Martin offers a relaxing atmosphere, complete with lavish accommodations, quaint bistros, and European flair. The latest French fashions can be found as you stroll the market place amid the smells of croissants and pastries wafting through the air. The towns on the French side of the island have a decidedly West Indian charm and the

secluded beaches offer fun in a private setting. Though generally relaxed visitors can pick up the pace in the capital of St. Margot. Once a quaint fishing village, Marigot now has trendy restaurants, shops, and a waterfront promenade.

MAKE A SPLASH

With over 37 beaches, there is truly one for everyone's taste with parasailing, snorkeling and deep-sea fishing. At Guana Bay and Dawn Beach a great spot for snorkelers, great sun and surf are yours for the taking. Want a little fun with your splash? Check out Orient Beach and Great Bay where beach bars and cold drinks await. And for a quiet stroll along the beach, Grand Case provides a hint of elegance with its half-moon shaped landscape, restaurants and exquisite views.

CARIBBEAN SCENES & CUISINE

Known as the "culinary capital" of the Caribbean, St. Maarten has made island cuisine an art. On the island you can taste some of the best cuisine from around the world. French, Italian, Chinese and Indian fare can be found at many of the island restaurants and cafes. For a one-of-a-kind experience don't miss Carnival held annually in March. Dancing, food, entertainment, and traditional apparel are on display as participants vie for the titles King and Queen of Carnival. Nightlife never stops as St. Maarten is host to live shows, casinos, and more.

HOTEL & RESERVATIONS

THE ESSENCE OF THE CARIBBEAN EXPERIENCE

The landmark hotel of the 16th Annual SEE/ISRS Island Eyecare Seminar is the pristine Maho Beach Resort & Casino. Located on the southern coast of St. Maarten, Netherlands Antilles, the expansive Maho Beach Resort, is the epitome of class and elegance. Set on 10 acres of land, and bordered by the waters of the Maho Bay and Caribbean sea, the island hot spots are just a stone's throw away. Recently enhanced through an extensive room renovation, the resort provides the island's largest meeting facility, and entertainment complex featuring world-class restaurants, casino, art gallery and shopping pavilion.

LUXURIOUS ACCOMMODATIONS

The resort has 595 luxurious guest rooms on three separate wings including deluxe suites, junior suites, and presidential suites. Each room boasts either a king size bed or two double beds (upon request), modern bath facilities, 25" Satellite television, in-room safe, and data port for computers. The island tropical decor adds the perfect ambience to each finely appointed guest room.

FOOD & FUN

Located on the hotel grounds is the Maho Town Center. Complete with 40 upscale boutiques, 9 international restaurants, art gallery, Casino

Royale, and night club, its easy accessibility is the perfect outing for hotel guests. Inside the town center is the Q club which is the island hot spot for Caribbean music and dancing. Nearby the Theater Royale showcases international performers in Las Vegas-themed shows.

After the seminar presentations, visit the resort spa and fitness for a little rest & relaxation! Everything from massage to personal training on state-of-the art fitness equipment is right at your fingertips.

Providing ample meeting space that includes air-conditioned facilities as well as multiple outdoor venues, the Maho Resort is poised to meet the needs of our growing seminar.

(see Activities choices in brochure)

5pm - 6pm

Insight With A Punch - An informal outdoor discussion of the day's presentations

*Seminar ends at 10am on Wednesday, March 5.

SESSIONS

Wavefront Technologies & Higher Order Aberrations

**Sunday
March 2**

Moderator: Gale Martin, MD

This section covers what every anterior segment surgeon should know about higher order aberrations and wavefront refractions. This will include a discussion on the various machines available for measurements and what aberrations should be treated and which should be left alone. Presentations by Dr. David Williams and Dr. Ray Applegate.

Surgical Approaches to Presbyopia

**Sunday,
March 2**

Moderator: Guy Kezirian, MD

Historically, the surgical treatments of presbyopia treatment has involved a compromise between visual quality and visual function. New technologies offer improved options with fewer compromises. This session provides a practical survey of the technologies currently available for presbyopia treatment, with emphasis on clinical results and their effect on vision performance.

The Role of Cosmetic Surgery in the Refractive Surgeon's Practice

**Monday,
March 3**

Moderator: Curtin Kelly, MD

Refractive and Cosmetic Surgical patients are often one in the same. This section will examine the pros and cons of expanding your refractive practice to be able to offer office procedures like Botox wrinkle reduction, laser skin resurfacing, medical skin care, etc. Scheduled to present the techniques as well as the pitfalls are Charles B. Slonim, M.D. of Tampa, Florida; Arkady Kagan, M.D. of Beverly Hills, CA; and Jill Foster, M.D., Columbus, OH.

The "PITS"- Practice In Trouble Syndrome

**Monday,
March 3**

Moderator: Jack Kearney, MD

Your practice is probably in trouble, whether you realize it or not! Our experts will help you to identify your problems and outline your course out of trouble. You cannot afford to miss this session!

Refractive Surgery- The Latest & Greatest

**Tuesday,
March 4**

**Moderators: Michael Collins, MD &
Fred Kremer, MD**

This section covers aspects of current and new refractive procedures that are likely to play a growing role in your practice. Participants will walk away with knowledge of how to improve techniques they are currently doing and how the new techniques will compliment their practice in the not too distant future.

Current Glaucoma Management Trends

**Tuesday,
March 4**

Moderator: Gale Martin, MD

Presenters will discuss current trends in the management of glaucoma. We will emphasize the current status of medical management as well as the new surgical techniques for the control of glaucoma.

Cataracts: The Very Latest

**Wednesday,
March**

**Moderators: David Brown, MD &
Robert Wiley, MD**

These lectures will allow you to take home new techniques that will change your cataract practice today or in the immediate future. Just when you think you have made the ultimate refinement, new technology allows us to make further improvements.

ACCREDITATION

The SEE/ISRS Island Eye Care Seminar has been planned and implemented in accordance with the Essentials and Standards of the Accreditation Council for Continuing Medical Education through the partnership of Barnet Dulaney Eye Foundation and the Society for Excellence in Eyecare. The Barnet Dulaney Eye Foundation is accredited by the ACCME to provide continuing education for physicians. CME credits are pending.

Program subject to change.

FUN ACTIVITIES FOR SEMINAR ATTENDEES

Yachting Regatta

**Sunday, March 2, 2003
(1:30pm- 4pm)**

For the most thrilling water experience in the Caribbean, sign up for the mini America's Cup Regatta. You and fellow seminar attendees can race the warm blue waters of the Caribbean. A triple threat of

competition, adventure, and fun make this a must during your stay in St. Maarten. Under the watchful eyes of an experienced crew, you'll be guided through assigned tasks and a practice run before participating in the real thing. Teams compete for the satisfaction of a hard-won victory, celebratory party, and award designation upon completion. Join us for this once in a lifetime opportunity!

Island Sightseeing Tour

**Sunday, March 2, 2003
(2pm- 6pm)**

Join us for the best of both worlds as we tour the French and Dutch sides of the island aboard a luxury coach. This tour combines a little history, great shopping, scenery, and plenty of photo opportunities. Enjoy the sights of the Dutch city of Phillipsburg, and Marigot on the French side of the island. You can stroll the streets, shop, and take in many island hot spots and historical sights. Highlights of the tour include stops at Grand Case, Orient Beach, and picturesque Cole Hill Bay. Don't miss out!

Snorkel/Catamaran

Monday, March 3, 2003 (1:30pm-5pm)

Snorkeling with a hint of adventure is yours on the island of Tintamare, just off the coast of St. Maarten. Explore marine life, sea creatures and more in the depths of clear blue waters. After an exhilarating deep sea expedition, enjoy complimentary drinks and light snacks as you

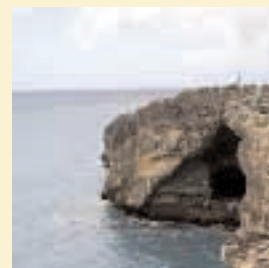

sail towards home.

On the Sea Dinner Cruise

Monday, March 3, 2003 (6pm-9pm)

Sail the sea at sunset aboard a fun catamaran.

View St. Maarten from a different perspective as you cruise along the coast of the island. After dining on a sumptuous buffet, enjoy the open bar as you dance to the rhythmic sounds of Caribbean music.

Caribbean Gala Dinner

Tuesday, March 4, 2003 (7pm-10pm)

Carnival is here...well almost! Join your SEE and ISRS colleagues for an outdoor dinner that rivals the spirit of Caribbean Carnival. Great music, island attire, and international cuisine take center stage on the grounds of the Maho Resort & Casino. A ticket is included with your registration, but don't forget to purchase extras for your spouse and family.

**Space is limited for all events. First-come, first-served.
Availability is not guaranteed.
Order Your tickets TODAY!**

AIRLINE DISCOUNT

Save Up to 15% with American Airlines

Seminar attendees and their guests are eligible for exclusive Meeting Saver Fares*, on American Airlines and American Eagle, when traveling to the 2003 seminar in St. Maarten. You or your travel professional can save you time and money when you fly American Airlines. American offers a variety of discounts for your travel needs – from 5% off our low first class and excursion fares or 10% off Y26 coach fares*.

To book your reservations, you or your travel professional should follow these simple steps:
